The Center for Law, Energy and the Environment (CLEE) sponsored a series of debates and colloquies at Berkeley in the Spring semester, all of which are now available on video:

- Unleashing the Clean Energy Economy
  Michael Shellenberger vs. Peter Barnes – February 18, 2009
- Environmental Program Town Hall
  February 19, 2009
- Climate Change & the View from the Attorney General's Office
  Cliff Rechtschaffen – March 3, 2009
- Arctic Boundaries and Climate Change: The Changing Concept of Space and Place in the Arctic
  Co-sponsored by the American Society of International Law, International Environmental Law Interest Group
  David Caron and Harry Scheiber – March 17, 2009
- California Water: The Looming Crisis & Paths to a More Sustainable Future
  Jeff Kightlinger vs. Barry Nelson – April 22, 2009

You can also find free webcasts of environmental and energy classes here.
