

The Center for Law, Energy and the Environment (CLEE) sponsored a series of debates and colloquies at Berkeley in the Spring semester, all of which are now available on video:

- [Unleashing the Clean Energy Economy](#)
Michael Shellenberger vs. Peter Barnes - February 18, 2009
- [Environmental Program Town Hall](#)
February 19, 2009
- [Climate Change & the View from the Attorney General's Office](#)
Cliff Rechtschaffen - March 3, 2009
- [Arctic Boundaries and Climate Change: The Changing Concept of Space and Place in the Arctic](#)
Co-sponsored by the American Society of International Law, International Environmental Law Interest Group
David Caron and Harry Scheiber - March 17, 2009
- [California Water: The Looming Crisis & Paths to a More Sustainable Future](#)
Jeff Kightlinger vs. Barry Nelson - April 22, 2009

You can also find free webcasts of environmental and energy classes [here](#).
