

There's getting to be too much material on the disaster in the Gulf to keep up with. With the assistance of Aspen Publishing, we've posted a list of two-dozen key links [here](#) — just click on the "Related Links" tab on the left side of the page. The Berkeley Law Library is working on a more elaborate documentary collection, which we hope to unveil soon. It will be part of [Berkeley's Disaster Law on-line archive](#).
