

A couple of months ago, I wrote [this post about the Trump Administration's war on cities](#), a move that resembles fascist regimes and thinkers through much of the 20th century.

Much to my surprise, I got a call on Friday from a producer at the “Velshi” show on MSNBC to talk about it on Sunday morning. So I did. It was 7 am Pacific time and I was fasting for the Jewish observance of [Tisha B'Av](#), but made it through okay. Here it is, if you're interested:
